**PUNE INTERNATIONAL  
MARATHON 2009  
6<sup>th</sup> December 2009**

Hello Fellow Participants,

This is the 24<sup>th</sup> year of the Pune International Marathon (PIM) the oldest marathon in the country. Since 2004, the PIM has been positioned as the Race against AIDS. We are trying to support the national initiative of combating this deadly pandemic through the event.

The AIDS Charity Run (ACR) was introduced for the first time, as a part of the 19<sup>th</sup> Pune International Marathon and was a great hit! The purpose of the ACR is to involve citizens from all walks of life in participating for a cause – that of spreading the message of AIDS awareness. Participants also get a taste of the historic Marathon.

There are prizes for **best creative group attire, best individual attire, creation of theme related to the cause, best slogan and largest group.**

Groups and Corporate houses can make their presence felt by sporting coordinated T-shirts, wearing the AIDS ribbon, beating drums and carrying placards with slogans. This is a great opportunity to promote team work and demonstrate social responsibility by supporting the cause.

The Pune International Marathon – Race against AIDS is the single largest sports event in the world to be conducted in support of the HIV / AIDS pandemic. Let us, as Puneites, be proud of this achievement and participate wholeheartedly in large numbers.

Each ACR entry form is priced at Rs. 100/- However, participants are more than welcome to contribute any amount that they feel is appropriate towards the cause.

**Come, Join us in leading the Race against AIDS!**

**SOME USEFUL TIPS:**

- Running, even slow jogging, takes practice. So if you are not confident – **walk, don't run.**
- While running **maintain a moderate speed in the first half of the distance.** You should be able to hold an intelligible conversation with fellow-runners. You may pick up speed in the second half.
- If you are walking or need to slow down while running, kindly move to the left of the road and **clear the right side for fast runners.**
- If thirsty, please **take small sips of water.**
- Car-parking is available along the Mutha river and the PMC ward office, near Garware College, Karve Road, Please **consider 'Car-Pooling'.** A map will be given with the form at the time of form submission.
- **Please do not carry valuables and big bags.**
- It is recommended that participants **wear the event caps to create the desired effect. Chest number should be displayed for identification.**
